Lyrics with Chords: Verse 1 C D So, so you think you can tell, Am G Heaven from hell, blue skies from pain, Can you tell a green field, Am From a cold steel rail, a smile from a veil, Do you think you can tell. Verse 2 And did they get you to trade, Am Your heroes for ghosts, hot ashes from trees, Hot air from a cool breeze, C Cold comfort for change, and did you exchange, Am A walk on part in the war, for a lead role in a cage. Middle 8/solo Verse 3 How I wish, how I wish you were here,

Am G

We're just two lost souls swimming in a fish bowl, year after year,

Running over the same old ground, what have we found,

Am

The same old fears, wish you were here.
